Harrogate
Christmas & Gift
13-16 January 2019

Still time to get 2019 off to a bumper start

If you are a manufacturer and supplier of festive goods and year-round gifts and want to get your 2019 sales off to a bumper start, Harrogate Christmas & Gift has a few last-minute stands available.

The show is fast growing as one of the most important UK trade shows for this sector – attended by garden centre, department store and tourist attraction buyers; multiple and independent retailers – in fact buyers from almost every sector looking for inspirational seasonal and year-round gift ranges.

The show is from 13th to 16th January 2019 – and whilst that is just a few weeks away, if you can get organised and ready to present your products to key industry buyers – the show team will pull out all the stops to sprinkle a bit of New Year magic onto your 2019 sales sheets!
