

C&G – The BIG night out!

Harrogate Christmas & Gift has announced a fabulous new event this year – an evening of entertainment with top comedian Dave Spikey, co-star of *That Peter Kay Thing* and *Phoenix Nights*; plus, one of the original team captains on hit series *8-out-of-10 Cats*. Dave will also be accompanied by hilarious Irish, Iranian, Geordie comedian Patrick Monahan who won *Show Me the Funny* in 2011 and performs regularly at the Edinburgh Festival Fringe.

The event, which takes place on Sunday 14th January 2018 at The Old Swan in Harrogate, includes a four-course meal and at just £45 + VAT per ticket, offers terrific value and a night to remember for everyone involved.

There are no industry awards taking place parallel to the show in Harrogate this year, so The Big Night Out offers a fabulous night for exhibitors and visitors to let their hair down and have some fun.

Ticket numbers are limited to 300, and with almost 5,000 visitors at Harrogate Christmas & Gift last year, they are expected to sell out fast. Large party groups can also be accommodated – simply put in your ticket requirements and the Christmas & Gift team will cater to your requirements.
